ALUPLAY began in 2016 with a mission to offer quality products and designs at reasonable prices.

Aluplay products are designed, certified and produced in Bratislava, Slovakia, and we specialize in materials that are durable, maintenance free, and weather resistant.

Our unique construction, materials and designs also offer increased protection against misuse and vandalism.

ALUPLAY.com is designed as a B2B platform for distribution of certified playground equipment directly from the manufacturer to various distributors and installers.
